INTRODUCTION

This survey was researched and compiled by the following members and friends of Cottesmore Women's Institute during 1981/2:-

Glenis Baldwin
Joan Bell
Val Clarke
Marjorie Finney
Victor Gibbs
Erica Halls
Lesley Knotts
Hazel Lee
Jane McFhee
Debbie Patient
Janice Patient
Jenny Patient
Jean Randell
Doris Saunders
Rose Stubbs
Diana Toy
Fiona Toy

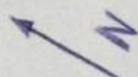

None of these is a professional archivist or researcher or even an expert at typing or spelling. This survey should therefore be regarded only as a guide and those using it are advised to check details for themselves.

As it all started as a Leicestershire and Rutland W.I. Federation competition there was, of course, a last-minute rush to meet the closing date. Many anomalies came to light during the final compilation and there are doubtless many more. We hope nevertheless that it may be of some use or interest.
